

Working as a Member of a Rescue and Recovery Team in Confined Spaces

City & Guilds Level 3 Award 6160-08

Who Should Attend:

This unit is for anyone who works as part of a rescue and recovery team in confined spaces. It includes preparing to carry out emergency activities, entering and exiting confined spaces safely, using emergency equipment, casualty recovery and handling devices in accordance with manufacturers' specifications, rescuing and recovering casualties, following procedures and working safely.

Pre-Requisites or APL:

- ✦ In-date City & Guilds High Risk Confined Space Entrant 6160-03 (or equivalent 3 day training) within last 3 years

Requirements:

- ✦ Aptitude for difficult work in confined spaces
- ✦ Fit for operational duties
- ✦ Physical fitness for strenuous training
- ✦ Clean shaven each morning of training

Aim:

The aim of this unit is to reflect the national occupational standard for working as a rescue and recovery team in confined spaces. This unit covers both the water and non-water industry areas.

Outcomes:

On successful completion of the course, the student will have demonstrated their competence, knowledge and skills enabling them to meet the City & Guilds requirements to:

- ✦ Oversee safety checks of the entry and rescue teams prior to commencing work activities
- ✦ Enter and exit confined spaces safely as part of a rescue and recovery team
- ✦ Use equipment and tools safely
- ✦ Follow procedures and work safely as a member of a rescue and recovery team
- ✦ Understand the principles of working as part of a rescue and recovery team
- ✦ Understand standard protocols for working in rescue and recovery teams

Compliance:

- ✦ Confined Space Regulations 1997
- ✦ National Occupational Standards for Working in Confined Spaces – EUSCS08

Duration:

3 days with 24 hours contact time

Ratios:

Trainers 1:6 Students (assistant trainer joins for scenario based exercises where necessary)

Member of a Rescue and Recovery Team 05072022

Delivery Method:

Lectures, classroom work, practical sessions, scenarios.

Equipment:

Specialist equipment and PPE is included. You can provide your own PPE provided it is serviceable and subject to inspection by our trainers.

You are expected to bring the following:

Overalls, Safety boots (non-slip, toe capped), Gloves (can be provided), Comfortable and suitably warm & weatherproof clothing.

Assessment:

Course content is assessed by a combination of direct observations of set tasks, question and answer, a short answer externally set exam and scenario based assessment. Individual feedback is provided.

Certification:

This course can be certified by City & Guilds or by Outreach Rescue upon meeting the assessment criteria. For City & Guilds certification, there is an additional fee of £45, and printed certificates are provided. There is no additional fee for digital Outreach Certification, and results are recorded on the Outreach Rescue Database.

Certification is valid for 3 years.

Progression:

Recertification is recommended every 3 years.

This course is a prerequisite for the City & Guilds 6160-07 Director of Rescue and Recovery Team award

Venue:

Outreach Rescue, Tan-y-Bwlch Centre, Llanllechid, Bangor, Gwynedd, North Wales LL57 3HY
