

# Mud Rescue (1 day)

## Who Should Attend:

Emergency Services personnel and personnel from organisations involved with water rescue responses where they may require specialist mud rescue techniques.

This course develops on the theoretical elements of Mud and Unstable Surface rescue which is covered on the DEFRA MOD 3 training and involves practical training in these techniques.

## Pre-Requisites or APL:

- ✧ In-date DEFRA MOD 3 compliant award

## Requirements:

- ✧ Indicated aptitude for working near and in water
- ✧ Fit for operational duties. This course is mostly practical and will involve strenuous drills in difficult to move in mud.

## Aim:

To introduce students to the theory and safe practical application of various methods of rescuing a person or small animal from mud, with the use of specialist rescue equipment.

## Outcomes:

- ✧ Understand the specific risks associated with entrapment and rescue from mud.
- ✧ Identify and select specialist rescue equipment suitable for mud rescue.
- ✧ Demonstrate correct use of specialist mud rescue equipment.
- ✧ Demonstrate self-rescue from mud entrapment.
- ✧ Demonstrate techniques using standard water rescue equipment for mud rescue.

## Duration:

1 day with 7.5 hours contact time

## Ratios:

Trainers 2:8 Students

## Delivery Method:

Lectures, classroom work, practical sessions and scenario-based training at a suitable venue allowing access to mud

## Equipment:

Specialist equipment and PPE is included. You can provide your own PPE provided it is serviceable subject to inspection by our trainers.

## Assessment:

This course is an attendance course and is not assessed due to time restraints. Students must complete all tasks with guidance in order to complete the course. Individual feedback is available.

## Certification:

Students will receive a digital Outreach Rescue certificate of attendance upon course completion. Certification is valid for 3 years.

## Progression:

Reassessment & Refresher training is recommended every 2/3 years by means of re-attending this course.

## Venue:

Outreach Rescue, Tan-y-Bwlch Centre, Llanllechid, Bangor, Gwynedd, North Wales LL57 3HY

Please contact us to discuss the possibility of delivering this course at your premises.
